

GHOST™

Level 1 Limb Protection

Mitigate Fear. Prevent Injury.

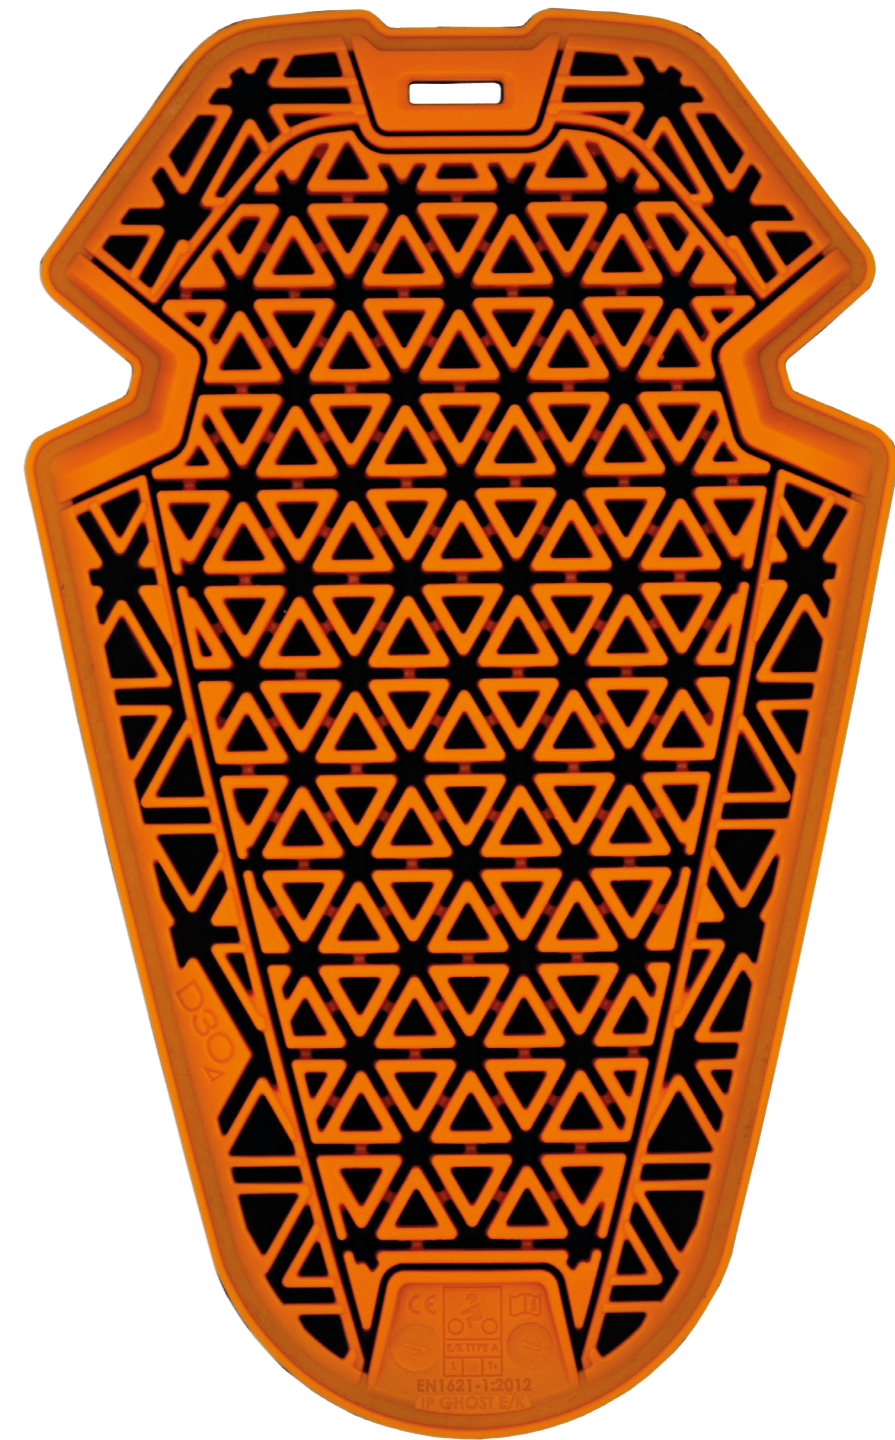

D3O's dilatant materials are designed to absorb and dissipate energy in response to blunt force impact.

D3O® Ghost™ is the thinnest and most flexible limb protector range from D3O.

Designed as fit and forget armour for use in motorsports and mountain bike, D3O® Ghost™ is made with the revolutionary new Impact Print technology which allows for unrivalled freeform geometry and flexibility.

Product Features

- CE certified to EN 1621-1:2012, Level 1, for Ambient and Wet conditions
- UKCA Certified
- Type A coverage
- Superior breathability and low-profile design
- Market-leading flexibility, with geometry which conforms to the limb, fitting perfectly against the body.
- Simple integration into garments through hook and loop attachment space at the top of the protectors.
- Recommend to place limb protector with the fabric side facing to the jeans to ensure no read through of the protector.
