

LP1™

Level 1 Limb Protection

Mitigate Fear. Prevent Injury.

D3O's dilatant materials are designed to absorb and dissipate energy in response to blunt force impact.

The D3O® LP1 is the most advanced breathable limb protector range engineered by the experts in impact protection at D3O.

Utilising a new tri-ventilation technology, the D3O® LP1 delivers a 45% improvement in breathability while maintaining superior high-performance, soft and flexible D3O® impact protection properties.

Product Features

- Tri-ventilation for superior breathability
- CE certified to EN 1621-1:2012, Level 1, including optional cold and hot conditions
- Type A coverage
- Manufactured in a highly durable material
- Temperature stable
