

# VIPER Central

## Level 1 Back Protection

### Mitigate Fear. Prevent Injury.

**D3O's dilatant materials are designed to absorb and dissipate energy in response to blunt force impact.**

Benefiting from airwave technology, the D3O® Viper Central offers central coverage. It is extremely flexible, low profile and lightweight, whilst offering incredible protection. The D3O® Viper Central is CE certified.

### Product Features

- D3O® patented technology
- Certified to exceed the performance requirements of EN 1621-2:2014, Level 1, including optional cold test at -10 degrees
- For winter sports: certified as suitable for use at temperatures down to -20 degrees
- Airwave technology for improved airflow
- Flexible, ergonomic design for comfort and protection
- Central back protector offering targeted coverage
