

BP4

Level 1 Back Protection

Mitigate Fear. Prevent Injury.

D3O's dilatant materials are designed to absorb and dissipate energy in response to blunt force impact.

The D3O® BP4 L1 offers a highly breathable, durable back protector that exceeds CE Level 1 certification. An exceptionally soft and flexible back protector, the BP4 is the most breathable back protector on the market, delivering 34% more breathability than the next best competitor.

Product Features

- D3O® patented technology
- Certified to exceed performance requirements of EN 1621-2:2014 (Level 1) in ambient, wet, optional cold (-10°C) and winter sports (-20°C)
- UKCA Certified
- For winter sports: certified as suitable for use at temperatures down to -20 degrees
- Highly ventilated geometry for increased breathability
- Lightweight design for wearer comfort
- 5 sizes available
