

In&Motion BP

Level 2 Back Protection

Mitigate Fear. Prevent Injury.

D3O's dilatant materials are designed to absorb and dissipate energy in response to blunt force impact.

The D3O® In&Motion Back Protector combines marketleading impact protection from D3O®, with the latest airbag technology from In&Motion.

With a low profile and highly ventilated geometry, the new back protector is CE Level 2 certified and uses the latest features developed by D3O to provide superior comfort and breathability alongside protection.

Product Features

- Tri-ventilation for superior breathability
- CE certified to EN 1621-2:2014, Level 2
- Tapered edges for simple integration
- Integrated inflator clamp for compatibility with In&Motion Airbag
- Pocketable into existing I&M compatible garments
