

D30® TRUST HP INTERNAL KNEE PRO

D30® TRUST HP INTERNAL KNEE PRO

D30® unique patented and proprietary technologies provide both enhanced protection, versatile and flexible materials for a host of shock absorption and impact protection applications.

The next generation D30® high performance internal knee pad is an innovative protective solution and latest addition to the D30® TRUST range: Trauma Reduction and Unrivalled Shock Technology.

The two-piece system comprises an internal knee pad featuring D30® proprietary technology, teamed with a patented detachable hard shell which can be fastened onto the outside of the garment.

PRODUCT FEATURES

- Patented integration system
- Lightweight and flexible featuring D30® patented technology
- Pre-curved ergonomic design for comfort and fit
- Detachable outer shell with quick-fasteners
- Anti-rock ridges to stabilise knee on impact
- Designed for use with active combat pant
- Suitable for tactical and workwear
