

LP1™ Compact

Level 1 Limb Protection

Mitigate Fear. Prevent Injury.

D3O’s dilatant materials are designed to absorb and dissipate energy in response to blunt force impact.

D3O® LP1 technology is now available in a compact format for all to benefit from D3O’s world-leading impact protection. LP1 Compact is ideal for those wanting a smaller pad due to smaller limb size or the need for increased freedom of movement, including women, youth or mountain bikers.

Product Features

- Tri-ventilation for superior breathability
