

# D3O® CP1 COMPACT L1

D3O® CP1 COMPACT

**D3O uses patented, patent-pending and proprietary technologies to make rate-sensitive, soft, flexible materials with high shock absorbing properties.**

The D3O® CP1 Compact L1 chest protector features a low-profile, optimised material and TriVent geometry combination to provide maximum ventilation and protection for the 2-wheel market. Its winged, tapered design offers additional rib protection and discreet integration into jackets.

The CP1 Compact is ideal for those wanting a smaller pad due to smaller chest size or the need for increased freedom of movement.

## PRODUCT FEATURES

- D3O® patented technology
- Certified to exceed the performance requirements of EN 1621-3:2018 Level 1, including optional cold test at -10°C
- UKCA Certified
- Ventilation offering superior breathability
- Available in full chest
- Winged design
- Type A coverage
